

Certified Nurse Aide

Prepare for entry level nursing assistant positions through our 104-hour Certified Nurse Aide program. You will achieve a level of skills and abilities essential to provide basic care to residents of long-term care facilities. Topics include residents' rights, communication, observation, reporting, and assisting residents in maintaining basic comfort and safety.

Emphasis will be on effective interaction with members of the health care team. Also, as a student, you will communicate with residents and their families with sensitivity to their psychosocial needs and assist residents in attaining and maintaining maximum functional independence. The clinical will provide a method of instruction providing detailed education, training and work-based experience and direct patient/client care, generally at a clinical site. Our approved program will provide you with 68 hours of lecture/lab and 40 hours of clinical experience. Basic HIPAA training will be included.

Certificates of completion will be awarded and is a separate process from the official certification issued by the state. For official Certification, the written and skills test will be given off-site through Prometric.

For more information on the certification exam, visit <https://www.prometric.com/nurseaide/tx> or call NACES at 800.444.5178.

Information is subject to change based on industry, facility, or institution requirements.

Estimated Tuition

Cost of program is \$805. Tuition must be paid in full by the first day of class.

Additional costs include an online background check (\$42, payable by student), drug screen (\$40, payable by student), compliance tracker (\$30, payable by student), textbooks, and supplies.

Steps to Application

- Submit an Application for Admission to Lee College at www.applytexas.org, and select "Cross Credit Healthcare" as the degree plan.
- Complete the FAFSA online at www.fafsa.gov
- Create a Complio account at www.leecompliance.com to begin the Background Investigation and Drug Screen process.
- Upload all required documents to your Complio account.
- Email cchealthcare@lee.edu, notifying the department that you have completed the above steps.

Check Eligibility for Licensing Exams

Students who have a felony conviction should check with the Program Manager of their program to determine if a licensing exam is required to be employed. Some examples include, but are not limited to, education, nursing, cosmetology, and technology programs. Legislative changes, specifically, HB 1508 from the 85th Texas legislative session section 53.151 (2017), require notification to applicants and enrollees regarding the consequences of a criminal conviction on eligibility for an occupational license. Students may be ineligible for an occupational license upon completion of a program due to prior convictions.
