## PUBLIC SERVICE

- Child Development
- Criminal Justice • Social Work
- Teacher Education

## STEM

- Biology • Cybersecurity
- Science • Technology
- Engineering • Mathematics

## UNDERSTANDING YOUR PATHWAYS

**PATHWAYS** are college programs that align with your high school endorsements. Pathways focus on courses geared towards university transfer and/or career interests. (See Lee College pathways)

## BUILDING YOUR HIGH SCHOOL ACADEMIC PLAN

- Understand what is required of you to graduate high school.
- Think of dual credit as an option to save time and money. You can transfer credit to any public university in Texas.
- If you are struggling with coursework, ask for help! Your teacher is more likely to work with you.
- Join a club, activity, or volunteer, this will look great on scholarship and college applications.

## SOCIAL MEDIA

- Be careful with what you post; everything you post is open for all to see and it follows you.
- Always try to create a positive environment and safe space for you. Treat others the way you expect to be treated.

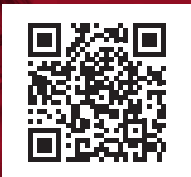

## COLLEGE-BOUND

- Lee College is local and affordable.
- Lee College offers workforce programs, technical certificates, and academic degrees.

## CAREER EXPLORATION

Not sure what you want to do? It's okay if you don't. You have time to explore. To learn more about careers please visit the sites below:
