Good Luck
in Your
Academic
Journey!

All students must complete and submit a general scholarship application online. A review committee will evaluate your application based on three main areas:

- Your GPA
- Your financial need
- Your answers to the essay questions

Don't Miss Your Scholarship Notification

We will send scholarship award notifications by email, so make sure you are checking your inbox regularly. The email will have all the information you need to process your scholarship and get your funds.

Scholarship processing, including Lee College Foundation Scholarships, are handled by the [Financial Aid](#) Office. **Details about disbursement information are available in the Financial Aid section of this website, on the [Disbursement and Refund Schedule page](#).**
