## Campus Activities Board

The mission of the Campus Activities Board (CAB) is to provide social, multicultural, recreational and education events for Lee College students, community supporters, faculty members, and staff members. From movies to lectures, cultural celebrations to concerts, CAB provides co-curricular activities that enhance students' experience at Lee College.

Students interested in learning more about CAB sponsored events and viewing previous event photographs are encouraged to stop by the Student Activity Office and Game Room.

## Student Government Association (SGA)

Established in 1936, the Student Government Association (SGA) serves as the official voice of Lee College's student body. SGA members are encouraged to participate in decision making, both in college governance and in student organizations.

The Lee College Student Congress serves as the principal voice of the student body in matters related to college policy. Members of the Student Congress serve as voting members of the college's Planning Committee, Campus Activities Board and President's Council. They also serve on committees formed to hear student grievances and appeals regarding disciplinary action.

## Student Clubs

More than 20 student clubs and organizations can be found on campus. These include social, cultural, scholastic, political, and religious gatherings, and are organized to provide students with the most visible and accessible path to campus involvement. Have an idea for a club? Gather some friends, and visit the Student Activities Office in the Student Center.
