Tutoring

The Learning Hub offers free on-campus tutoring, drop-in tutoring (walk-ins), and online tutoring upon request. Our tutors are available to help with all Math courses and a variety of Science courses. For a full list of courses, please visit our booking website or contact the Learning Hub Manager. At the Learning Hub, our tutors have excelled in the subject-areas they cover and are ready to help you succeed in your courses.

Supplemental Instruction (SI)

SI sessions are led by SI Coaches (former/current students who have already taken and successfully passed the course). SI Coaches attend traditionally difficult courses with students and use their experience to craft SI sessions. Outside of the classroom, SI Coaches offer tutoring hours for students in the subject areas they cover. For a full list of SI courses and to learn more about SI, please visit our [SI webpage](#).

We recommend that you bring any relevant course materials to all sessions.

Please note that tutors and SI Coaches cannot assist with exams of any format.

For assistance with scheduling your appointment, please call 832.556.4028.
