Important Note: Prior to taking the TSIA, you must complete the Pre-Assessment Activity Module.

The PreAssessment Activity module is required by the State of Texas to help students become familiar with the test and what it contains before they take the TSIA. This assessment is a placement test required by the state for all degree-seeking students coming to a public college or university in Texas. We're glad you've chosen to come to Lee College for your education, and we hope this will be your first step toward being a successful college student. Access the [Pre-Assessment Activity here](#)
