**Definitions**:

**A**. Unduplicated Headcount: The actual number of individual students enrolled. A student enrolled in more than one course in an academic term is counted only once for the term.
**B**. Duplicated Headcount: Duplicated headcount is the number of classroom seats that were filled. A student enrolled in three courses in an academic term will count as filling three classroom seats for the term.
**C**. Average Course Load is the Duplicated Headcount divided by the Unduplicated Headcount, and it shows, on average, how many courses students take per term.

## Part 3: Academic and Technical Course Success & Withdrawal Rates

Tables 3a & 3b shows the duplicated headcount in academic and technical courses respectively and the success and withdrawal rates for each course. <u>Definitions</u>:

**A.** Duplicated Headcount is the number of filled classroom seats. If a student repeated a course in the same year, they would count as two classroom seats.

**B**. Unduplicated Headcount is the number of unique students who took the course. If a student took the same course twice, they would only count as one student.

**C**. Success Rate is the number of students who received a grade of A, B, or C divided by the number who received an A, B, C, D or F or withdrew from the course.

**D**. Withdrawal Rate is the number of students who withdrew from the course divided by the number who received an A, B, C, D or F or withdrew from the course.

**E**. Failure Rate (not shown in Table 3) is the number of students who received a grade of D or F divided by the number who received an A, B, C, D or F or withdrew from the course. The sum of the Success Rate, Failure Rate and Withdrawal Rate is 100%, so the Failure Rate can be calculated from the Success Rate and the Withdrawal Rate.

**F**. Dual Credit Students are students currently enrolled at Lee College who are also high school students in the Lee College service area: Anahuac HS, Barbers Hill HS, Crosby HS, Dayton HS, East Chambers HS, GC Memorial HS, Hardin HS, Hargrave HS, Hull-Daisetta HS, Robert E. Lee HS, Liberty HS, Peter Hyland Ctr, IMPACT, Sterling HS, Stuart Career Tech HS, and West Hardin HS.

**G**. Non-Dual Credit Students are students currently enrolled at Lee College who are not high school students and are not in the Prison Education Program.

**H**. Success and Withdrawal Rates for courses with fewer than 5 students are suppressed to protect student identification.

## Part 5: Enrollment in Public or Independent Higher Education in Texas

Table 5 shows the number and percentage of trackable students who were enrolled or not found in public or independent higher education in Texas in the fall semester immediately after their high school graduation. Students who are trackable but were not found could have enrolled in an out-of-state college or university, but in general the students who are not found are assumed to be mostly students who did not enroll in higher education. THECB only shows Class of 2022; does not have Class of 2023 posted as of yet...

*Table 5: <u>Kountze HS</u> Class of 2022: Enrollment in Higher Education in Texas in the Fall Immediately After High School Graduation*

| **TOTAL** | **82** | **100.0%** |
| Not Trackable | 1 | |
| **Total Class of 2022** | **83** | |

<u>**Report Details:**</u>

**A**. 'Not found' graduates have standard ID numbers that were not found in the specified Fall term at Texas higher education institutions.

**B**. 'Not trackable' graduates have non-standard ID numbers that cannot be matched to enrollment at Texas higher education institutions.

**C**. Enrollment at 'Other' institutions is the combine enrollments of students at institutions that enrolled less than 5 students.
