The Lee College Associate of Arts in English degree is designed for students who love the written word and wish to build the literary, grammar, and communication skills employers want, plus emerging skills like search engine optimization (SEO) and technical writing.

What Will I Learn?

English courses provide students with a range of skills and abilities, including strong written and oral communication skills, an appreciation of the power of language, a broad vocabulary, an understanding of research methods, the ability to present research material and persuade an audience, the ability to articulate others' work, critical thinking skills and teamwork.

The Associate of Arts Degree in English provides the academic foundation needed to transfer and pursue a bachelor's degree at most state universities in Texas.

What Can I Do With This Course of Study?

An advanced degree in English can lead to a variety of different careers such as:

- High School and College-Level Educator
- Journalist
- Business Manager
- Lawyer

- Publisher
- Communications and Media Specialist
- Advertising Rep
- Grant Writer
