

Campaign Finance Reports

The 88th Legislature passed HB 2626, which requires all political subdivisions to post on their website all campaign finance reports filed on or after Sept. 1, 2023. The campaign reports must be posted within 10 business days of receipt and remain on the political subdivision's website for five years after the report is first made available. Therefore, in compliance with Chapter 254, Political Reporting, Texas Election Code, Section 254.0401, Availability of Reports on Internet, Subsections (b), (e-1), and (h), Lee College District by posting campaign reports beginning with CFR 2024 is in compliance with said law.
